* The client's florist must provide natural flowers, however we will arrange them in the cake.

“all our creations
not only look
amazing but
taste even better!”

Let us create the cake of
your dreams and leave a
lasting impression that
everybody will remember.

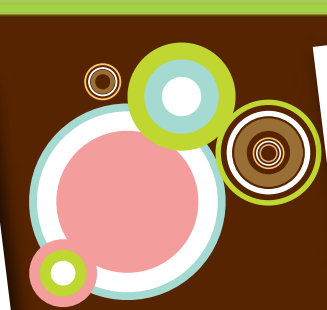

Maria Malkun
Owner and Cake Designer

creating your dream cake
is our goal...

Welcome...

Welcome to *Mayu's Cakes*, where we create elegant master pieces to decorate your event with a sweet ending. Established in 2004, our goal has always been to satisfy our clients with a high quality product. Our cakes are made from scratch using the finest ingredients, keeping freshness as number one priority. Our creations not only look amazing but taste even better!!

Years of experience have lead us into a wonderful journey of discovering new techniques, challenging our own skills with new custom designs, baking fresh and moist cakes to indulge our clients and positioning our business as one of the best in South Florida.

Let us create the cake of your dreams and leave a lasting impression that everybody will remember.
